

OFFICE OF THE PRESIDENT

Anthony P. Monaco, President

October 1, 2018

The Tufts Community Appeal (TCA) is a vital way faculty and staff come together to support Tufts' students, our neighbors, and non-profits in our host communities. We are proud that this expression of active citizenship through philanthropy is a Tufts hallmark.

The annual TCA campaign runs from October until December. As members of the volunteer TCA board, we believe strongly in the good we at Tufts can do when we come together. We look forward to sharing with you over the next three months the many ways the TCA has a positive impact on Tufts' students and in our communities.

More than 4,000 people work at Tufts. Our goal is to ensure that everyone understands what the TCA is, what it does, and to engage as many of us as possible in this annual tradition. We are succeeding: we have grown from 293 people contributing in 2014 to 768 last year. Wow! Our goal is for even more of our colleagues to join us in supporting this year's effort.

We know that many of you express your generosity through other means as well. But we believe that as we share the impact TCA gifts have on Tufts and our communities, still more will be encouraged to join in this effort.

Your gift can support:

Student Financial Aid	Tufts Neighborhood Service Fund (funds grants to non-profits in our host communities)	Any Area at Tufts (online only)	Charity of Choice (paper form only)
-----------------------	--	------------------------------------	--

Giving is now easier than ever:

Online (Tufts or TNSF only) <a href="http://giving.tufts.edu/givenow1">giving.tufts.edu/givenow1</a>	Payroll deduction (log on to e-serve)	Enclosed paper form
---	---------------------------------------	---------------------

Thank you for your generosity and for joining us in making a difference together.

Sincerely,

Anthony P. Monaco  
President
